

URGENT APPEAL

HAMILTON ELECTRICITY WORKS

Dear Neighbour

You may have received a letter from the Council informing you that the developer is **appealing** against the Council's decision to refuse the latest planning application. This is not good news as the future of our community will be decided by the Planning Inspectorate in Bristol.

I am urging you to write a letter stating your objections to the planning application so that the Inspectorate can see the level of public feeling. **It is really important that as many of us as possible write to object!** The Planning Inspectorate needs 3 copies of each letter by **22 May 07**. Any letters received after that date will not be considered. The address to write to is:

**The Planning Expectorate
Room 3/14 Eagle Wing
Temple Quay House
1 The Square
Temple Quay
Bristol BS1 6PN**

Quoting Ref Number: **APP/L5180/A/07/2041553/NWF**

If you have objected this application before, you can just re-write your original letter, adding any extra relevant points. You will need to send **3 copies** of the letter to the address above.

If however you would like to give your letter to me or to Ruth, we will do the copies and send them off for you. This is to make it easier for you and no stamp or envelope to worry about. The letters will need to be written by next week.

There is also a residents meeting on Friday 11 May at 8pm at the Salvation Army Hall in Colne Road. Please attend if you can.

Many thanks for your continuing help and support!
